Sidebars provide focused insights on a range of coaching topics and offer personal encouragement and advice for coaches throughout the season. In addition, quotes from well-known coaches provide perspective on what it takes to be a successful coach. Reflection questions at the end of each chapter encourage readers to think critically about the content and apply it to their own current or future coaching situations.

Written by a coach for coaches, *Successful Coaching* blends the latest research and accepted practices in the sport sciences with practical advice from seasoned coaching veterans. *Successful Coaching* helps readers think critically about their motivation for being a coach and establish a coaching philosophy and style that pave the way for a fulfilling sport experience for coaches and their athletes.

The fourth edition of *Successful Coaching* has been carefully revised to meet or exceed the guidelines of the National Council for Accreditation for Coaching Education and the recommendations of the National Standards for Sport Coaches. *Successful Coaching* is the primary text for the Coaching Principles online or classroom course offered by the American Sport Education Program (ASEP). Coaching Principles is a part of ASEP's Bronze Level coaching certification, a three-step certification involving coursework essential for coaching any sport, teaching sport first aid, and conveying advanced sport-specific knowledge.
