The Accidental Citizen-Soldier is the story of Young Chun, an American who traveled to South Korea to teach English, only to be barred from leaving the country and forced to serve in the Korean Army. He knew very little of the language and practically nothing of the Army culture, but he somehow managed to come out the other end of the two years, relatively unscathed. The two years took him from the Korean countryside to Second Army HQ to Bagram Air Base in Afghanistan and back again.
