## The Routledge Companion to Sociolinguistics (Routledge Companions)

Have you ever noticed an accent or puzzled over a dialect phrase? Language can be a powerful tool with which one can create a persona; it can be a common ground between people or can be used as a divide between social groups. This *Companion* is for anyone who is interested in how and why people speak and write with such diversity.

*The Routledge Companion to Sociolinguistics* includes articles by leading scholars in the field on:

- methods of observation and analysis
- social correlates
- socio-psychological factors
- socio-political factors
- language change.

With a substantial A-Z glossary of key terms and concepts, directions for further study, and detailed cross-referencing with links to the glossary, *The Routledge Companion to Sociolinguistics* is both an essential broad-based introduction for those new to the field, and a highly useful reference for the more advanced linguist.
