Gentian Hill

GOUDGE ELIZABETH

Gentian Hill GOUDGE ELIZABETH

The Devonshire coast provides appropriate background for an enchanted tale of young love in the dark days when Buonaparte menaced the English coast. There's a fey quality to the telling, recalling vividly the Goudge of *Island Magic* and *City of Bells* rather than the Goudge of more recent writing. With flashbacks to the legend of the monk who haunted the hillside chapel dedicated to the sailors, and of the couple separated by the sea- and reunited by the sea, there's a tale of another young couple, Stella, a child living with foster parents, stalwart country stock, and Zachary, not very much her elder, who deserted the ship he loathed and the life he feared, and fought his fears until he won through to manhood. Theirs was an instant recognition of twin souls; the doctor who formed the link between them, and later the hermit-priest, running away from his own fears, both knew that here was something wholly apart from carnal passion, a recreation, perhaps, of the ancient tale. Stella had a mystical awareness which bridged the gaps of distance and time; Zachary rooted his mind and heart in the strength she was able to project to him, when his conscience drove him back to the sea and the war he hated. One forgives the intrusion of contrived situations, the intervention of the long arm of coincidence- and accepts, as did Stella and Zachary, the miracle of their oneness. The flavor of the Devonshire countryside is here-and much, too, of the horrors of the city slums and prisons, the holds of England's ships at sea, the brutality and injustice that was accepted as inevitable in a society where poverty and riches had no common meeting ground. A fairy tale sort of romance, charmingly told.--Kirkus Reviews

From reader reviews:

David Ochoa:

Do you have favorite book? In case you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each guide has different aim or goal; it means that publication has different type. Some people really feel enjoy to spend their the perfect time to read a book. They are really reading whatever they acquire because their hobby will be reading a book. How about the person who don't like reading a book? Sometime, man or woman feel need book whenever they found difficult problem or even exercise. Well, probably you'll have this Gentian Hill.

Shannon Thompson:

Book is to be different for each grade. Book for children right up until adult are different content. As we know that book is very important normally. The book Gentian Hill ended up being making you to know about other knowledge and of course you can take more information. It is quite advantages for you. The publication Gentian Hill is not only giving you more new information but also to become your friend when you really feel bored. You can spend your own spend time to read your publication. Try to make relationship together with the book Gentian Hill. You never experience lose out for everything in the event you read some books.

Andrew Leavens:

The particular book Gentian Hill has a lot associated with on it. So when you make sure to read this book you can get a lot of benefit. The book was authored by the very famous author. The author makes some research previous to write this book. This particular book very easy to read you can obtain the point easily after perusing this book.

Jennifer Smith:

Many people spending their period by playing outside together with friends, fun activity along with family or just watching TV all day long. You can have new activity to pay your whole day by reading a book. Ugh, think reading a book can actually hard because you have to accept the book everywhere? It ok you can have the e-book, having everywhere you want in your Cell phone. Like Gentian Hill which is having the e-book version. So , try out this book? Let's see.
