Please don't eat the daisies

Jean Kerr

Please don't eat the daisies Jean Kerr

Please Don't Eat the Daisies has sold millions of copies since its original publication in 1957. It became a film in 1960 starring David Niven and Doris Day, and a television series in 1965. Now you can hear why many consider Jean Kerr to be one of America's funniest writers. In this unique collection of essays, Kerr captures the perils of motherhood, wifehood, selfhood, and other assorted challenges. Listen and learn "How to Decorate in One Easy Breakdown" and how to drop those unwanted pounds with "Aunt Jean's Marshmallow Fudge Diet." Please Don't Eat the Daisies strikes modern listeners as particularly funny because these feminist issues are still relevant today.
