The Good Fight Andrew Grey

Jerry Lincoln has a problem: his Sioux Falls IT consulting business has more work than one man can handle. Luckily, that means he can hire some help. Jerry just hopes his new employee, John Black Raven, ends up being more helpful than distracting-but John's deep eyes and long hair are very distracting.

John came to town for an education and a chance at a life he couldn't have on the reservation, but what's important to him now is getting a job and keeping it. Six months ago, his sister died, and now her children are in foster care. Despite having the law on his side, John can't get custody-can't even see his niece and nephew.

As Jerry and John grow closer, John discovers he doesn't have to struggle alone. Jerry helps him win visitation rights and provides much-needed support. Yet their victories aren't without setbacks. Child Services is tangled up with money, politics, and red tape, and Native American children are their bread and butter. But John and Jerry are determined to fight the good fight and to win-in more ways than one.
