Water Conservation Teacher's Guide- Think Green Saddleback Educational Publishing

Designed to work with both differentiated levels of Think Green, these 24-page teacher's guides were developed in consultation with several state educational standards and contain multiple components. Three lesson plans are included. These lesson plans are divided into sections; vocabulary, preview, reading the text, discussing the meaning, word work, extending the meaning, and critiquing. The teacher's guide also includes 11 worksheets (2 vocabulary, 1 writing, 1 index, 2 review, and 5 activity sheets.)

Think Green series. Teach environmental studies and global warming in the inclusive classroom with these unique informational books. Available in two reading levels with identical front covers, so striving readers do not feel ""singled out,"" each title methodically explains the tough problems faced by our planet plus solutions large and small.
