Someone is stalking Andrew. When he finds out the man has entered his home, he asks his friend Dominic for help, hoping that having the Alpha on his side will discourage the stalker.

Soren isn't particularly happy when Dominic assigns him as Andrew's bodyguard—that is until he finds out the man is his mate. Andrew has a boyfriend, though, and a stalker.

The two start a relationship, but the stalker is always there, hovering in the dark and convinced Andrew is his mate. What will happen when he finally gets to Andrew? Will Soren be able to get to him in time? Or will Andrew have to save himself?
