From the interactive story telling app "The Journals of Mama Mae and LeeLee", Blue Moon is an inspirational and magical tale of discovery created by Grammy Award-winning artist Alicia Keys, and was inspired by her childhood relationship with her own grandmother. Blue Moon introduces readers to young and imaginative LeeLee, who just moved to the big city, and her magical grandmother, Mama Mae. To help LeeLee adjust to her new home, Mama Mae tells her the story of Abey, a young Native American girl from the 17th century, and her adventurous yet magical evening when she too wasn't sure of her surroundings.
