Having got too far into the dangerous world of The Brethren MC for comfort, Iain was now out again, but out in bad standing.

He has been in hiding in Ireland when he discovers that not only do Wibble and Charlie both know where he lives, but that he is now wanted by both sides as a potentially bloody biker conflict heads towards its final showdown and worse, a trial in front of the media.

But as the case unfolds in Court, the questions become more and more urgent. Is everything what it seems, and who, if anyone, knows or is telling the truth?

The final explosive instalment of initial trilogy in The Brethren Outlaw Motorcycle Club Crime Thriller Series of crime thrillers set in the world of UK outlaw bikers and biker gangs (a world most familiar from the American TV series Gangland, and Sons of Anarchy).

The novels are under development for TV and are expected to become crime thrillers best sellers once the show airs.
