Love Without End Glenda Green

Love Without End is one of the most quoted books in modern spiritual literature. Its messages have improved the lives of millions. Although it is based on a special encounter with Jesus, it is not about religion. It was not written to solicit, reinforce, or change existing beliefs. These teachings are a gift to your heart for the fulfillment of your life.

This expanded edition included 88 more pages with a new introduction. Find out the truth about Mary Magdalene and what happened in the 'lost years' of the life of Jesus.

Most importantly, find out about yourself...

Who am I, really?

How can I have an abundant life?

What is my highest purpose

What happens when I die?

Can there ever be peace in the world?

The answers would invariably emerge from the presence of or absence of one great power:

L O V E
