Rigorous Reading: 5 Access Points for Comprehending Complex Texts (Corwin Literacy) Nancy Frey, Douglas B. Fisher

"With Rigorous Reading Doug Fisher and Nancy Frey have provided literacy educators who are committed to successfully raising the bar with solutions that make sense. The book is masterfully developed with an extensive reach across many grade levels in terms of defining what it means to provide intentional instruction and teaching text complexity. The five access points are discussed pragmatically with evidence of a solid research base deftly woven throughout the book. This is the most practical book I have come across in terms of providing teachers with the knowledge base and assistance many are seeking to improve their instruction with regard to complex texts."

- Steven L. Layne, Ed.D., Professor of Literacy Education, Judson University, Elgin, IL
