In Love Does, Bob Goff shares remarkable stories from his life and shows how living and loving to the fullest is the best way to make Jesus known in this world.

Remember the joy and excitement as a kid of being invited to a big party? You felt valued, included, wanted and ready to have a good time. Goff believes that every day of life can be lived with the same childlike enthusiasm and sense of humor. Whether you've travelled to meet dozens of world leaders with your kids, and started a school in Uganda like Goff, or are simply seeking a new perspective on the Christian life, you'll learn that love is a verb, not just a feeling. His insights and joyful reflections will help you discover what it means to live as Howard Thurman intended when he said, "Don't ask what the world needs. Ask what makes you come alive, and go do it. Because what the world needs is people who have come alive."
