“If you really want to feel inadequate,” said Miranda Ingram, “flick through the women’s magazines for a festive update on the must-have superior table decorations that you are meant to be throwing together, the latest gift-wrapping techniques and this year’s intricate ways with turkey leftovers.”

There’s nothing like a national period of cheer and goodwill to cause stress, financial hardship, and depression. With that in mind, we sent author **Robert Drake** out into the world to spread a little happiness, and round up as many wise, funny people as he could find. Rather than get arrested, he decided to come back with a selection of funny and insightful quotes. It’s probably for the best.

In this collection of outstanding wit and wisdom, you’ll find more than a thousand fabulous contributions on all aspects of the holidays and other popular torments. So you’re sure of a fun time if you pick up a copy. After all, as Erma Bombeck said, “Seize the moment. Remember all those women on the Titanic who waved off the dessert cart...”

If you like *Wit & Wisdom*, you’ll also love *Over The Hill* by **George Dorn**, a hilarious book of quotes and jokes on the vexed subject of aging – and remember to pick up the other volumes in the fabulous *Wit & Wisdom* series.
