Alfred Music Publishing is the world's largest educational music publisher. Alfred produces educational, reference, pop, and performance materials for teachers, students, professionals, and hobbyists spanning every musical instrument, style, and difficulty level.

With the 2007 Broadway revival of the musical Grease (and the hubbub leading up to it with the TV reality show "You're the One That I Want"), your choirs will beg to perform this new choral arrangement by Greg Gilpin. Great fun for mixed voices, but an extra special feature for your SSA ensembles.
