Leon Garfield's Shakespeare Stories (New York Review Books Children's Collection) Leon Garfield

How to introduce children to Shakespeare, not just to the stories behind the plays but to the richness of Shakespeare's language and the depth of his characters: That's the challenge that Leon Garfield, no slouch as a wordsmith himself, sets out to meet in his monumental and utterly absorbing *Shakespeare Stories*. Here twenty-one of the Bard's plays are refashioned into stories that are true to the wit, the humor, the wisdom, the sublime heights, the terrifying depths, and above all the poetry of their great originals. Throughout, Garfield skillfully weaves in Shakespeare's own words, accustoming young readers to language and lines that might at first seem forbiddingly unfamiliar. *Leon Garfield's Shakespeare Stories* is an essential distillation—a truly Shakespearean tribute to Shakespeare's genius and a delight for children and parents alike.
