The Masonic Myth: Unlocking the Truth About the Symbols, the Secret Rites, and the History of Freemasonry Jay Kinney

The Masonic Myth by Jay Kinney is an accessible and fascinating history of the Freemasons that sheds new light on this secret fraternity. A nonfiction look at the mysterious and wrongly maligned ancient society that plays a major role in *The Lost Symbol*, the new novel by Dan Brown (*The Da Vinci Code*), Kinney's *The Masonic Myth* debunks the myths as it reveals the truth about the Freemasons, their history, and their secret symbols and rituals—a truth that is far more fascinating than all the conspiracy theories combined.
