The Yi Jing Apocrypha of Genghis Khan is a working companion of the Ivory Tablets of the Crow and a rare translation of the I Ching (Book of Changes). Originally, it was thought to be circulated and developed by members of Black Dragon Society in their investigation of the Art of Ninzuwu (Yi Jing Sorcery). The Art of Ninzuwu is a very powerful transformational process and is said to be one of the oldest forms of magical practice in the world. The Yi Jing Apocrypha of Genghis Khan also reveals the historical authenticity of what appears in the Ivory Tablets of the Crow and how it is applied to Yi Jing divination. The book gives a thorough, yet mystical, explanation of each of the sixty-four hexagrams and compares them to the Sixty-Four Letters of Genghis Khan. The book also explores the spiritual side of Genghis Khan and his connections to shamanism. Formulas for accessing the vibration of the hexagrams are given, as well as, advanced initiatory practices of Ninzuwu. The book also examines the Yi Jing's relationship to ancient Sumerian spirituality and reveals the location of the legendary land of Dilmun, and the possibility of a Yi Jing originating in ancient Mesopotamia. Many people who presently use the I Ching in their lives will find this text truly rewarding. Others will now be able to validate the historical authenticity of what appears in the Ivory Tablets of the Crow. People, regardless of their political, racial, religious, and spiritual background can gain some wisdom from the Yi Jing Apocrypha of Genghis Khan. Another theme that is prominent in the text is the Yi Ching's relationship to Shinto and the fundamental creed of the Black Dragon Society. The Appendix includes excerpts from a speech given prominent member of the Black Dragon Society and his views on Dr. Mikao Usui. Caution: The Yi Jing Apocrypha of Genghis Khan is an advanced initiatory path into a rare form of sorcery. The Hexagrams are arranged in the order of their initiatory steps. The editor suggests that the book be read first in its entirety before practice.
