The author provides compelling answers to the tough questions women often ask:

- Why are men so romantic in the beginning and why do they change?
- Why do men take nice girls for granted?
- Why does a man respect a woman when she stands up for herself?

Full of advice, hilarious real-life relationship scenarios, "she says/he thinks" tables, and the author's unique "Attraction Principles," *Why Men Love Bitches* gives you bottom-line answers. It helps you know who you are, stand your ground, and relate to men on a whole new level. Once you've discovered the feisty attitude men find so magnetic, you'll not only increase the romantic chemistry-you'll gain your man's love and respect with far less effort.
