Cultural Policy (Key Ideas in Media & Cultural Studies)

David Bell, Kate Oakley

Cultural Policy (Key Ideas in Media & Cultural Studies) David Bell, Kate Oakley

David Bell and Kate Oakley survey the major debates emerging in cultural policy research, adopting an approach based on spatial scale to explore cultural policy in cities, nations and internationally. They contextualise these discussions with an exploration of what both 'culture' and 'policy' mean when they are joined together as cultural policy.

Drawing on topical examples and contemporary research, as well as their own experience in both academia and in consultancy, Bell and Oakley urge readers to think critically about the project of cultural policy as it is currently being played out around the world.

Cultural Policy is a comprehensive and readable book that provides a lively, up-to-date overview of key debates in cultural policy, making it ideal for students of media and cultural studies, creative and cultural industries, and arts management.
