Embracing My Bi Side: Bi-Sexual First Time Gay Curious M/M Collection S. Powers

I need to know if I'm gay or not. The only way to find out is to try it...

Sensual collection of three bi-curious first time stories from Shane Powers!

Explicit: These stories feature graphic sex between two bi-curious men.

Going Gay in Bootcamp

All four of us were excited to be in boot camp. We all wanted to be Marines. Nobody minded the hard work, screaming Drill Instructors, bad food or lack of sleep. What we couldn't handle was no sex. Boot camp is thirteen weeks long. Is it possible to go that long without the touch of another person? Tyler was the first to suggest that we help each other out. We found an empty supply closet and got in a circle. My buddy's hand felt great but I wanted more. Soon we were discussing "brojobs". Could we go that far? Does that make us gay? What if we found out that we liked it?

Curious No More

Scott has always fantasized about being with another man. He is happily married but still can't stop thinking what it would be like to experience sucking another man's cock. One day he decides to act on his fantasy and places a classified ad seeking another bi-curious male. Pete answers the ad and they begin a correspondence about their innermost desires. Finally it is time to meet. Will Scott follow through on his fantasies? What will it feel like to be with a man? Will reality live up to the fantasy?

The Class Reunion

Bruce was terrified at the thought of his ten year reunion. A highly successful lobbyist, he couldn't believe that the thought of seeing his old class mates scared him so much. Then again they had made his life total hell, especially Steve Johnson. Bruce had been picked on, teased and bullied. Did he really want to see these people again? Would Steve Johnson be at the reunion? Was it true that Steve had come out of the closet as gay? What would happen if they saw each other again?
