Wonderfully Made! Babies: A Catholic Perspective on How and Why God Makes Babies (for ages 9 and up) Ellen Giangjordano

Theology of the Body (TOB) Children's Book. Through the use of beautiful illustrations and simple yet truthful and medically correct language, this book explains the majesty God designed into the full, free, faithful, and fruitful communion of spouses that allows “man” to “image” the Trinity, who creates out of love, in order to share love. Complete with biblical and literary references, and granted both the Nihil Obstat (by Msgr. Brian Bransfield) and the Imprimatur (by Archbishop Charles Chaput), *Wonderfully Made! Babies* will enrich your child’s understanding of life’s bigger picture while affirming his or her personal worth and place in the world. Here's what one priest has to say about the book: “Our Lord Jesus, the Son of the living God, said ‘Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these.’ Matthew 19:14. He wants to implant and pour into the heart and soul of children the seed of the Kingdom of His Father. This wonderful book, with a beautiful text, easy to read and understand, and with lively art work, will plant into children the seeds of Jesus' understanding of man and woman. This little book is the "Theology of the Body" for children--get it and give it to children, give it to schools and to Religious-ed classes. I see Pope John Paul II laughing in heaven, amazed that his Theology of the Body has been written in such a way that children can understand it. May he intercede and bless the authors and the illustrator.” Fr. Pio Mandato, FMHJ
