Words of Radiance (Stormlight Archive, The) Brandon Sanderson

Brandon Sanderson's epic Stormlight Archive continues with his #1 *New York Times* bestselling *Words of Radiance*. Six years ago, the Assassin in White killed the Alethi king, and now he's murdering rulers all over Roshar; among his prime targets is Highprince Dalinar. Kaladin is in command of the royal bodyguards, a controversial post for his low status, and must protect the king and Dalinar, while secretly mastering remarkable new powers linked to his honorspren, Syl. Shallan bears the burden of preventing the return of the Voidbringers and the civilization-ending Desolation that follows. The Shattered Plains hold the answer, where the Parshendi are convinced by their war leader to risk everything on a desperate gamble with the very supernatural forces they once fled.
